Bay City High School Initiates ‘HOLD’ Status

(BAY CITY, TX) – Today, Friday, September 8, 2023, at approximately 1:38 p.m. Bay City High School initiated a ‘HOLD’ status at its campus. The ‘HOLD’ status enforces that all staff and students report and remain in their classrooms and offices to ensure the hallways remain clear.

The ‘HOLD’ status was initiated out of an abundance of caution due to an alleged incident between two BCHS students. The BCHS Administration and BCISD-PD quickly cleared the incident and attended to the students involved. The BCHS administration was prepared to release the ‘HOLD’ status at BCHS, at that time a student had an unrelated medical issue which caused the ‘HOLD’ status to be extended. The student was quickly attended to and evaluated by medical professionals and is doing well.

We truly appreciate the support in efforts to ensure student and staff safety and the overall well-being of students, as that is always the top priority for BCISD.

Sincerely,

BCISD
