

What is a School-Parent Compact?

The purpose of the parent-school compact is to communicate a shared understanding of home and school responsibilities to assure that every student attains high standards and a quality education.

Parents are welcome to contribute comments at any time!

School Goals

This year Bay City Junior High School will work on continuing to increase the number of students who meet or exceed state standards in all academic areas, through an increased concentration in a variety of literacy strategies across the curriculum. We will also focus on enhanced social skills as part of student success and to address the whole child. Teachers will provide challenging and engaging work for students that focus on the different learning styles of students. Teachers will monitor growth and progress of each student during the school year and the years to come. Every child is expected to work towards mastering state grade-level performance standards.

The School Responsibility

1. Provide high-quality curriculum and instruction in a supportive and effective environment.
2. Arrange Parent-Teacher Conferences as needed or requested, during which this compact will be discussed as it relates to the child's environment.
3. Provide frequent reports on progress.
4. Provide opportunities for you to volunteer or observe the classroom.
5. Respect individual differences in each student.

Parent Involvement Plan

As a parent of a BCJH student I will:

1. Ensure that my child attends regularly.
2. Ensure that my child does his/her homework nightly.
3. Participate in decisions relating to the education of my child.
4. Volunteer in my child's classroom or other areas as needed by my child, BCJH, or the teachers.
5. Encourage positive use of my child's spare time.
6. Attend Parent-Teacher Conferences.
7. Support the discipline management plan at BCJH.
8. Monitor attendance and grades in Parent Portal frequently and/or request feedback from teachers.
9. Keep open communication with my child's teachers and my child regarding academic progress (email, phone, conferences, meetings, etc.)
10. Find real-world ways to support my child's learning (letter writing, brainstorming ideas for home improvement, etc.)
11. Help my child become organized at home and provide an area and time to complete homework.
12. Encourage my child to set learning goals for their improvement.

Students:

Students join with faculty, staff, and parents in creating goals for themselves for the school year. In order to encourage academic growth, the following goals are suggested:

As a BCJH student I will:

1. Set goals to increase my reading time each day.
2. Find real-world applications for writing.
3. Ask for help when needed.
4. Have a positive attitude about learning and setting goals.
5. Be on time and present for school and class each day.
6. Be prepared for each class.

Communication is Key!! We look forward to an exciting and successful year!
