BAY CITY EARLY COLLEGE HIGH SCHOOL UPDATE

Over the past few months, BCISD has been engaged in the early college high school planning process. We would like to share our current status on program structure, benefits, and timelines with community members and business partners just like you.

We welcome you to our next meeting to allow you the opportunity to learn more and provide input on this new, exciting endeavor at Bay City High School.

Great things are happening at BCISD!

April 12, 2021 | 3-4 PM,
Bay City High School, Cafeteria
