

Peachjar e-flyer system

With our Peachjar e-flyer program, the e-flyers will be sent directly to parents' email inboxes as well as posted on school websites for easy access. All flyers may be accessed by clicking on the Peachjar logo that is on each campus's website homepage.

Each year, our schools will save tons of paper and reduce copy costs by thousands of dollars. In addition, paperless delivery of school flyers removes a significant administrative burden from teachers, office staff and volunteers.

School and school district-approved e-flyers will keep you informed about upcoming school activities, programs, and events.

...And our children's backpacks will be a little bit lighter!

Bay City ISD cooperates with community groups and organizations that sponsor activities of an educational/enrichment nature for students and staff by distributing materials electronically via Peachjar, a free online service for schools. As part of our efforts to be more environmentally friendly, embrace innovative technology, maintain fiscal responsibility, and ease the burden on our staff, paper flyers from outside organizations will not be distributed.

To request flyer approval:

- Visit www.peachjar.com
- Register as an Enrichment Provider (Account Type).
- Upload flyer for approval.
 - Your flyer will be automatically submitted to the district office. District staff will review the material and approve or deny based on the standards and policies approved. See approval guidelines below.
