Item II. – Instructional Continuity

Lisa Moya stated how proud she is of Bay City ISD employees and the amazing way staff stepped up during the closure of schools. Teachers have provided continuity in instruction, and learned quickly to provide remote learning to their students. Collaboration has continued with multiple teachers during zooms or Google classroom. Teachers also provided small groups activities along with needs to the special education students. The district distributed 3000 chromebooks and 600 hotspots to families in need to assist with continued learning.
