To all Blackcat Fans and Visitors:

For many years, Bay City High School athletes have brought state, national, and even world recognition and honor to themselves and our community. When our high school was in the design stage, we asked the architects to include an area where community members and current and future Blackcats could remember and learn about student/athletes and educator/coaches who helped make Bay City High School one of the most respected athletic programs in the State of Texas.

Our architects developed a space in the foyer of the coaches offices and the BLACKCAT Hall of Fame was born. Tonight marks the induction of seven athletes and one coach from Bay City's storied athletic past. For those of you who have been in our community a long time, you will enjoy remembering some of the highlights of these athletes' careers at Bay City and beyond. For visitors, or people new to our community, you may be surprised at the number of Blackcats who have achieved at such a high level.

We are proud of these men and women and know that all of you will join us in congratulating them on this fine honor, and thanking them for their contribution to our community.

It is a great day to be a Bay City Blackcat!

Keith A. Brown

“I would like to thank God for blessing me with not only the talent but more importantly the people who could recognize and help develop my talents. Without them, I would not be who I am today and I am truly grateful. I am truly humbled to be recognized with such an honor. As I look back on my years as a “Blackcat”, I only have fond memories. Even today, I speak with old friends and classmates and one thing remains true, people remember the “Blackcats”.

What I learned from my parents and coaches is that individual accolades come with team success and wow did we have some great teams!

I would like to thank Coach Ron Mills and Coach Marshall Brown who recognized and believed in my ability enough to start a 15 year old kid ahead of two seniors. I would also like to thank Coach Eddie Nelson and the late great David Jones. These two gentlemen taught me so much about sports but more importantly the game of life. Without their mentoring, I would have been totally lost when I moved 600 miles away to attend the University of Oklahoma. Even today, my son Sean and his friends have benefited from my passing on the little life lessons bestowed upon me by Coach Nelson and Coach Jones.

In closing I would like to say thanks to my father, Hart Lee Dykes, Sr. and my sister, Denise Chambers, who supported me by showing up to every single game I played.

Finally I would like to say that I know that my mother, Rita Dykes is smiling down from Heaven. All three of her “Blackcats” have made it to the hall of fame.

Go Cats Go”

Where are they now - I have been in the mental health field since 1992 and I am currently employed as a licensed childcare administrator at a facility near Houston. I spend all of my down time enjoying my family and being my son's loudest cheerleader at all of his games.

"My days at Bay City High are among some of my greatest memories. Some days I wish I could go back, just to sit at the lunch table with some old friends or to see my old teachers. But, one thing I did learn while at Bay City High was to not dwell on the past but push towards the future. And Bay City High will continue to play a big part in my future."

Where are they now – I recently finished my undergraduate studies at Eastern New Mexico University, with a degree in Biology and a minor in Chemistry. I am currently working as a Doctors assistant for Dr. William Hadnott, III in Parks Plaza Medical Center in downtown Houston. "I am very grateful for this great honor. My eighteen years were filled with fantastic experiences working with some of the greatest coaches the state has ever seen. I counted every day as a coach at Bay City High School a privilege that I never took for granted. I am thankful for the love and support of a wife and two wonderful daughters who not only supported the move here but also helped in the many endeavors that I led in the community. I have been blessed to have had a small part in the tremendous success that our program had in the years my family was here. But beyond all the playoff games at the dome, the state championship cross country meets, and the state track meets in Austin, the greatest thrills I got were seeing the hard work our Bay City athletes put in to succeed not only on the playing field but in life itself. I will ever be grateful for Coach Ron Mills bringing me onto the coaching staff and to Marshall Brown for making me such a part of his outstanding track programs. During my years here, not only was I under some great athletic directors/ head coaches but also worked with many such as Henry Green, Linda Smith, Eddie Nelson, Pat Centilli, and David Jones who motivated me to be the best coach I could be for this community. I gained a lot of knowledge and experience from those and others as part of this great athletic tradition. Our athletes, many times through the work they did, made us coaches look good and I will always remember how hard they fought to win in all sports. I especially want to thank all the parents of all the Bay City athletes that I have the privilege and joy to coach. They gave me all the love and support necessary for us to be successful. God truly blessed me with my Bay City High School experience."

Where are they now – Currently I am living in Texas City and am a teacher/coach at Dickinson High School.

"First and foremost I would like to thank God for without him I would not have been given this opportunity. Secondly, my parents, because they have always been supportive of me every step of the way. From youth sports, junior high, high school and college, they were there for me, attending every game, rooting me on – win or lose – they were my biggest supporters! And they instilled in me a true love of God and respect for people, and to this day they are still my biggest fans. Also to my sister Shauna, my Aunt T (Teresa), Grandpa Johnnie, Uncles Larry, Johnnie and Karl – thank you for all you did for me!! Also to all of my other family and friends thank you for your love and support!!

I am truly honored to have been selected to be inducted into the Black Cat Hall of Fame. This is in recognition of my achievements and you can only imagine how important this is to me. When I first entered high school, and entered the Black Cat Room, I would always look at the pictures on the wall of the Black Cat "Greats", and tell myself that someday I would like to be on that wall also with all of the players and coaches! Thank you to the selection committee for allowing me to realize this dream!

I enjoyed some of my best times at BCHS playing on Friday nights in the Black Cat Blue & Gold. It was an experience I will never forget. I have made bonds for life with coaches and players alike! And I would like to truly thank those coaches who were very influential in me getting to where I am today. Thank you Coaches; Robert Rayos, Justin Taylor, Robert Blackmon, David Gibbens, Eddie Nelson and Bink Grimes. And I cannot leave out those teachers who were influential also; Amy Ging, Stephanie Quinn, Cody Holloway, Senorita Martinez and my counselor Shelly Grimes. And also Coach Chad Morris – even though he was not my high school coach he made time to come to our 'Lil Cats' and junior high games to encourage us and give us words of wisdom. I know I have left out some teachers and coaches that somehow assisted me in getting to where I am today – and for that I am truly sorry. . Hopefully, and in time, I will get to thank each and every one of them in person. For all of my family I didn't mention above – thank you!! And last but not least I would like to thank my pastor - Pastor Murray G. Martin (Mother Zion Baptist Church) for what he and the church have done for me, as well as my "mentors" Ron Price, Joseph "Mont" Lane and William "Shot" Dale who always encouraged me.

Philippians 4:13 - I can do all things through Christ who strengthens me. "

Where are they now - After high school I received a full scholarship to Blinn College in Brenham, where I played football and won the NJCAA National Championship while playing with eventual Heisman Trophy Winner Cameron Newton. I then attended Texas State University in San Marcos (also on a full football scholarship) and graduated in May 2013 with a degree in Exercise Sports Science and a Minor in Sociology, and became a member of Kappa Alpha Psi. This year I played Football in the European League in Germany and won the Championship. During the offseason I will be living in San Antonio.

"As a true Bay City Blackcat athlete, my most treasured memories here at BCHS are of game days on Friday. As a team, we would visit the elementary schools where we once attended as young children and mentored with the students. In the eye sight of the children we were their role models.

Now as a teacher and a coach I pray for this mentoring program will once again be implemented into the Friday game day activities. It was an honor and a privilege to be a Blackcat role model.

My mission statement is: Faith, discipline, character, respect, integrity, hard work, dedication and perseverance are the prices one must pay to achieve any goal worthwhile.

To the past teachers, coaches and other school staff during my high school years here at BCHS, I thank you for the guidance and encouragement.

To Assistant Superintendent Mr. Rodney Fausett, with your nomination of me into the Blackcat Hall of Fame, I am eternally grateful to you. Upon our first meeting of each other, your words of encouragement to me were "You need to get your Master's degree in education and come back to BCHS to teach and coach." I pondered upon your words, then took your advice and here I am today at my high school Alma Mater.

For the current and future Blackcat and Ladycat athletes I leave these words of motivation to you: "Ability is what you're capable of doing. Motivation determines what you do. Attitude determines how well you do it." Lou Holtz

"I would like to thank any and every one for the opportunity to be in the Blackcat Hall of Fame. Our family is deeply rooted in the rich foundation that was built and is being built upon at Bay City High School and having the opportunity to be mentioned with the greats that I grew up watching is an unbelievable achievement. I was bred in the hallowed halls of Bay City High School and in the deep winning tradition that is the Bay City Blackcats. Being in that environment as a child helped develop many of the positive characteristics and principles I carry with me today. I played on the same field as my father and brother, I graduated with a diploma from the same high school as my father and brother, and to be inducted into the same prestigious club as my father and brother is one that words can't describe."

BLACKCAT Hall of Fame Selection Committee

We would like to give special thanks to the group of community members who serve on our selection committee. Each of these individuals have been attending Bay City athletic events for at least 30 years, and some have more than 50 years of “Blackcat experience.” In August of odd-numbered years, they meet to consider nominations and make selections for the Hall of Fame.

Anyone who feels that they know of former Bay City athletes or coaches who meet the criteria listed in this program (see back cover) should contact the Superintendent’s office at (979) 245-5766 for a nomination form or at www.bcblackcats.net/halloffame. The deadline for nominations is the third Friday in July, in odd-numbered school years. Induction is held in odd-numbered school years.
