Parking Ruling and Regulation

Each VEHICLE will be required to properly display a valid BCHS Parking Permit on the rear view mirror in the front window of the vehicle. Students not in compliance will lose parking privileges, may be issued a ticket, may be booted or towed at the owner’s expense.

Violations of the following rules will subject you to disciplinary action and/or loss of your parking permit.

- Students must apply display their Parking Permit by hanging it on the rear view mirror in the front window of the vehicle.
- You may park your vehicle only in your designated area of Student Parking. Student vehicles parked anywhere else on campus without written authorization from the appropriate Principal will result in loss of parking privileges. Repeat offenders will lose parking privileges for the remainder of the year.
- You must get out of your vehicle upon arrival and **IMMEDIATELY** go into the Patio area. Loitering in the parking lot will result in loss of parking privileges.
- You must not participate in any type of activity such as racing, excessive noise, dangerous maneuvers, or driving in non-designated areas.
- If your driving causes a discipline problem, you will automatically forfeit the privilege to drive your vehicle to school.
- You will **Not** move or be in your vehicle during school hours unless you have authorization from an appropriate Principal and have a written pass.
- Purchasing or attempting to purchase Parking Permits for another student, or in anyway trying to circumvent these regulations, will result in the forfeiture of the permit and loss of your parking privileges.
- You will **NOT** display any Parking Permit other than the one issued to you by Bay City High School.
- If officials of the school district have reason to believe you have anything in your vehicle that is a violation of the law or Bay City ISD board policy, you will be required to open your vehicle for a search by a school official or designee.
- The speed limit on the campus of Bay City High School is 05 miles per hour.
- If for any reason you drive a vehicle other than the one registered, **YOU MUST** inform the BCHS Assistant Principal or Designee of the change upon your arrival to school, to receive a Temporary Permit. (\$2.00 – for (5) days only). Failure to report any changes to the office may result in the revocation of parking privileges for the remainder of the school year. You must park in the back of Student Parking in the **Yellow Zone**.
- Students caught skipping, leaving campus without permission, being truant, and not reporting to Saturday School may result in loss of parking privileges.
- If the registered car is stolen, involved in a wreck, or sold, you must provide documentation: i.e. police report or sales invoice, to justify the issuance of a replacement Parking Permit.
